

Military Prayer Wall

Contributed by Bonnie Hawley
Last Updated Wednesday, 16 June 2010

South Hills Church Community would like to honor our military members with the establishment of our "Military Prayer Wall" in the second floor lobby of our building. If you are an active military member, or a family member of an active military member, we would like you to allow us to place an 8X10 photo of you or your family member on our prayer wall. If you are interested, please provide us with an 8X10 photo, along with the serviceperson's name, service branch, rank, and current station assignment. You can drop those off at our church offices during the week, or email them to Charity Benson.
